

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

Movant David Andrew Christenson

Civil Action No. 1:18-cv-03501

DEMOCRATIC NATIONAL COMMITTEE,

Racketeer Influenced and
Corrupt Organization Act (RICO)

Plaintiff,

v.

Judge John G. Koeltl

RUSSIAN FEDERATION, et al;
Defendants.

Amicus (Seventh)

Open Letter to Judges Koeltl, Sullivan, Moss, Jackson, Stewart, Higginbotham, Battani, Ellis, Friedrich,
Magistrate Wilkinson, Clerk Cayce and Attorney Roberts.

What if the infiltration of the Trump campaign is legitimate? What if there really was tampering?

What if all of this has to do with New Orleans, The Katrina Virus and Kennedy? Truth is always stranger
than fiction.

The people that knew about Kennedy are all dead. Who would they have passed their secrets on to?

Godspeed.

Sincerely,

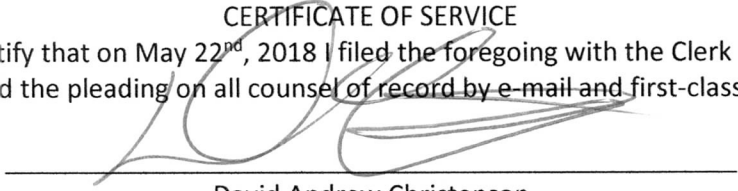

David Andrew Christenson

An Epic Constitutional Crisis. I am talking about the political destruction of all three branches (Executive, Judicial and Legislative) of our Federal Government. One hundred and fifty five million Americans and Canadians may be infected with The Katrina Virus. Did the United States Supreme Court participate in the criminal cover-up? Misprision is a crime/felony. In simple terms it means that you had knowledge of a crime and did nothing. Did the Supreme Court have knowledge? YES! I gave them the knowledge. The real question is: what did the Supreme Court do with the knowledge of The Katrina Virus and the cover-up?

There was no simple way to present this story. I fully acknowledge that the material is presented in an incoherent manner. What you are reading is a compilation of my communications with the Supreme Court since my arrest for cyberstalking FBI Special Agent Steven Rayes on March 15th, 2011. It must be emphasized that I was arrested on a Louisiana Warrant (not a Federal Warrant as one would expect.) and I have never been charged with a crime. A Louisiana Search and Seizure Warrant was used by the FBI to steal my evidence, documentation, etc. of what happened in New Orleans after Hurricane Katrina. In simplistic terms chemical warfare contaminants were released from DOD and CIA classified facilities. The United States Military conducted operational missions in violation of Federal Law and killed Americans. 1500 Americans are still missing. Were the contaminated bodies recovered, analyzed and burned in Federal Government incinerators? Are some of the bodies being kept alive in vegetative states so that the Federal Government can study the long term effects of the Katrina Virus? (Remember the Syphilis Studies in Alabama and Guatemala.)

This is a Prelude/Reference Book/Appendix. The end of the story has not been written. Judgment must not be passed upon the Supreme Court at this time. The Supreme Court may have actually protected me. Think about it. Who could the Supreme Court have turned to? Congress and the Executive Branch are responsible for the murder, genocide, treason and crimes against humanity. The only option for the Supreme Court may have been to provide me with the protection needed, to not only uncover the truth about the Katrina Virus, but to bring it to the attention of American and Canadian people.
